

# JOIN MSI UK AS A TERMINATION OF PREGNANCY SURGEON

At MSI Reproductive Choices UK (MSI UK), we know that our most valuable assets are the people that work for us.

## Why work for MSI UK?

Working for MSI UK can be a fantastic alternative to working for the NHS. Our doctors provide safe and appropriate clinical care to clients making reproductive health decisions.

By joining us, you'll become a part of a committed team working to provide the best possible care and support throughout the UK.

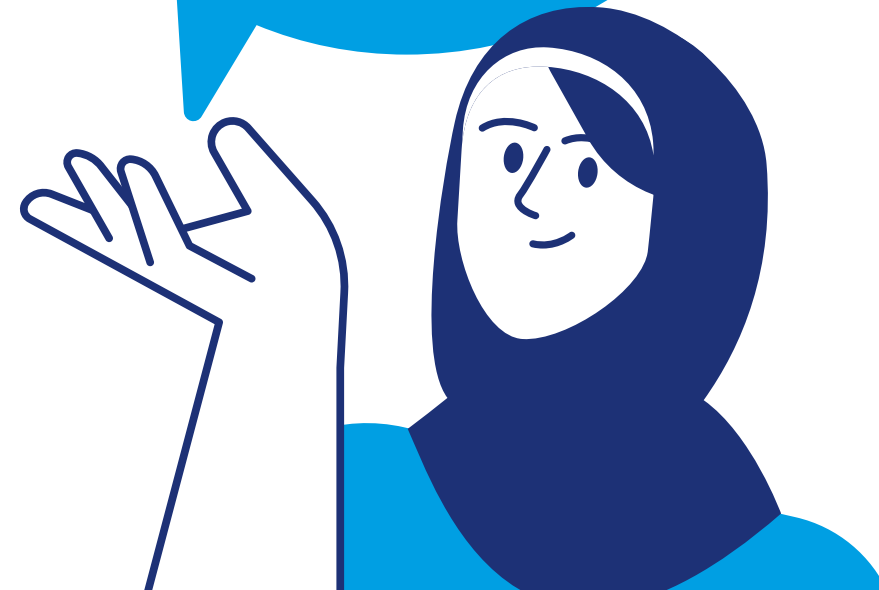

MSI UK offer comprehensive training opportunities to deliver surgical termination to 23 weeks and 6 days.

All of our roles have one underlying goal: **making choice possible.**

## Attractive packages include:

- 1) Benchmarked against private and BMA recommended rates

  - Regular, guaranteed, fixed sessions if wanted
  - Adhoc, flexible cover if preferred
  - As much or as little as you want
  - Booked well in advance
  - Choice of locations across the UK
- 3) Unlike private practice, we organise everything for you (patients, anaesthetic and theatre team, clerking and consent are all taken care of)

“Only when choice is a reality for each of us can we create a better, more equal world for everyone.”
