

JOIN MSI UK AS A VASECTOMY SURGEON

At MSI Reproductive Choices UK (MSI UK), we know that our most valuable assets are the people who work for us.

Why work for MSI UK?

Working for MSI UK can be a fantastic alternative to working for the NHS. Our doctors provide safe and appropriate care to clients making reproductive health decisions.

By joining us, you'll become a part of a committed team working to provide the best possible care and support throughout the UK.

MSI UK offers comprehensive training opportunities to deliver vasectomy procedures using the non-scalpel technique.

All our roles have one underlying goal: **making choice possible.**

Attractive packages include:

- 1) Competitive remuneration reflecting BMA recommended rates
- 2) Flexible work schedule to suit your needs:
 - Regular, guaranteed or fixed sessions as required
 - Adhoc, flexible cover if preferred
 - As many lists to suit your availability / requirements
 - Booked well in advance
 - Choice of locations across the UK
- 3) Unlike running your own private practice, we organise everything for you (patients and clinical team. In addition, clerking and pre-assessment are all taken care of)
- 4) Dependable and valuable source of additional income

“Only when choice is a reality for each of us can we create a better, more equal world for everyone.”

Available Employment Models

Employed
